Length: **8.31m** Beam: **2.49m** Draft: **1m**

The Draco 27 RS is a versatile 8.31-metre sports boat, powered by a Yamaha F300BET 300hp outboard. Offered with 377 recorded engine hours and a reported maximum speed of 44 knots.

The Draco 27 RS is a stylish and versatile sports boat that combines Scandinavian design, contemporary styling and impressive performance. Featuring a deep-V hull, the Draco 27 RS delivers excellent handling, stability and a comfortable ride, even in challenging sea conditions.

This example is powered by a **Yamaha F300BET 300hp outboard engine** with just **377 engine hours**, offering an impressive maximum speed of approximately **44 knots** and a comfortable cruising speed of **30 knots**. The engine was last serviced in **October 2026**. Equipped with **trim tabs and a bow thruster**, she offers excellent manoeuvrability and control both underway and when berthing.

The boat benefits from a range of practical features, including a **bimini, cockpit and bow tonneau covers, electric windlass, GPS navigation, fishfinder, handheld VHF and stereo system**. The spacious and thoughtfully designed cockpit features comfortable seating, sunbathing areas, a cockpit sink and ample storage, making her an ideal choice for entertaining, day trips and coastal cruising.
