**€1,124,612** VAT not paid

Length: **12.2m**    Beam: **4m**    Draft: **3.4m**

Saltwater Solutions is pleased to present the Windy SR40, a high-performance premium chase boat combining cutting-edge design, versatility, and Scandinavian craftsmanship.

# Windy SR40

Part of the acclaimed SR range, the SR40 has been designed to meet the highest expectations of yacht owners and professional crew, offering exceptional performance, safety, and onboard comfort.

Designed by renowned yacht designer Espen Øino, she features a sleek and modern profile with clean lines and a strong visual identity. Built using advanced resin-infused construction and a deep-V hull, the SR40 delivers outstanding seaworthiness, stability, and comfort in all conditions.

**Benefits from Twin Volvo Penta D6-480 DPI**
