Introducing the Windy 27 Solano RS, a stunning motor yacht from 2023 that combines elegance with performance. With an overall length of 8.22 meters, this vessel is designed for both comfort and adventure on the water. Crafted from durable fiberglass, it boasts a sleek hull that enhances its agility and stability. Powered by a robust Volvo Penta V8 430CE DP-S inboard engine, delivering an impressive 430 horsepower.

The centre engine configuration and stern drive system ensure smooth handling, making it perfect for cruising. Accommodating up to seven guests, this yacht features one cabin and one head, providing a cozy retreat after a day of exploration. The electric windlass adds convenience to anchoring, enhancing your experience on the water. The Windy 27 Solano RS is a remarkable choice for those seeking luxury and performance in their maritime adventures.

Conceived primarily as a dayboat, she has a practical two-berth cabin and head compartment tucked under the foredeck. Her deep, safe cockpit is both social and versatile, with a moveable aft sunbed, and can be easily protected with her new generation canopy system or bimini sun-shade. As such, she will appeal to buyers in all markets - from the short but sweet summers of Scandinavia to the cool lakes of Switzerland and the hotspots of the Mediterranean.

The Solano has an advanced deep-V hull designed by Hans Jørgen Johnsen which delivers superlative performance, matchless seakeeping, and a top speed of over 40 knots.
