On brokerage we are proud to present this exceptional example of the Windy 31 Zonda, a model celebrated for its performance, craftsmanship, and unmistakable Scandinavian style.

Winner of both the European Power Boat of the Year Award and the MBY Motor Boat Award, the Zonda is a vessel designed, conceived, and constructed for those who demand the very best.

Pharsalia II is powered by twin Volvo Penta D3-220 engines with approximately 500 hours, supported by a comprehensive service history.

The Windy 31 Zonda is one of the true icons of the Norwegian brand, renowned for its sporty elegance, premium build quality, and exceptional seakeeping. This award-winning model combines timeless design with a deep-V hull, ensuring safety, stability, and exhilarating performance even in demanding conditions.

The cockpit is spacious, featuring a large sofa, positioned just aft of a superb helmsman's console with seating for three. Secure and comfortable grab rails are integrated into the windscreen for passengers who enjoy feeling the wind in their face.

Below deck, the interior showcases refined walnut joinery and premium craftsmanship throughout. The starboard galley is equipped with a gas cooker and practical storage, while forward, a comfortable double berth provides a cosy and elegant sleeping area, enhanced by thoughtfully designed lighting and trim. Despite the compact layout, the cabin offers excellent comfort and style, with a practical heads completing the accommodation.
