Unleash your inner adventurer.

Feel at one with the waves. Styled in an iconic combination of black, white, and vibrant blue with sleek graphics, the JetBlaster has been built with excitement at its core. Racy looks, nimble handling and strong power-to-weight performance make it the perfect partner for serious fun.

Excellence in engineering and great build quality define every Yamaha WaveRunner, and the JetBlaster is no exception. From advanced materials like the SMC hull to the marvellous TR-1® Yamaha Marine engine, you've got a machine made for adventure.

The JetBlaster has a range of features that make it ideal for freestyle riding. From stabilising hydro-turf deck mats to an ergonomic handlebar and round grip handle, it's designed to guarantee adrenaline seekers exciting agility and user-friendly handling to quickly conquer the waves, even for less experienced riders.

- Robust and lightweight SMC hull and body
- Wide, curved handle bar for unique riding style
- Round grip provides greater connected feeling with the WaveRunner
- Small, compact switch box
- Electric trim for on-the-go adjustment
- Waterproof glove box

Unleash your inner adventurer.

The JetBlaster is pure fun personified. Styled in an iconic combination of black, white, and rich blue with sleek graphics, the JetBlaster is simply stunning. An outstanding blend between a top-quality engine and a great power-to-weight ratio guarantee adrenaline seekers exciting agility and user-friendly handling to quickly conquer the waves.
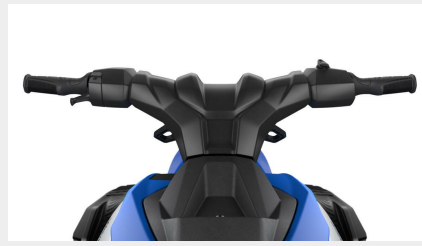

Our JetBlaster is ready for fun and exciting riding, with top quality traction deck matting enabling near-instant mastery of tricks, flicks and stunts and a handlebar that's purpose-built for slick moves.

The JetBlaster 's high-quality hull is crafted from innovative, durable SMC, making it both strong and lightweight. Fuse this with a 3-cylinder, 4-stroke TR-1® Yamaha Marine engine and power-to-weight ratio, and you get some serious thrill-seeking potential.

TR-1® 1,049cc, 3-cylinder engine

The JetBlaster® is powered by our innovative 3-cylinder engine, the 1,049cc TR-1®. This remarkably compact and lightweight unit packs a real punch, and offers lively acceleration and great top-end power, plus economy and reliability. A great power-to-weight ratio means you get thrilling speed and agile handling.

Custom designed handlebar and traction matting

The JetBlaster's handlebars have been designed with a smooth, curved shape, providing intuitive support for a unique riding style. Hydro-Turf deck matting allow you to maintain a sure footing, opening up a more playful freestyle ride.

Lightweight hull for top performance

Durable and innovative, the SMC hull is a lightweight but robust construction that offers outstanding durability, strength, and has an exceptional ability to absorb vibration, enhancing the quality of your riding experience.

Ample storage as standard

Take everything with you, as standard. The JetBlaster offers water resistant underseat storage for a spacious and handy location for all your adventure essentials. The watertight glove box provides easy access to your shades, snacks and other bits you need to have to hand.

Performance-inspired electric trim

Adjust the height of the bow on the go. Raise the bow to reduce water spray and nose-diving, then dip down low for more grip in the corners. A smoother, more skilful ride is just a touch away.

A modern classic

Own a modern twist on a classic, with heritage Yamaha styling and characteristics. The JetBlaster features modern graphics, advanced engineering and uncompromising build quality. It looks every bit as good as it feels to ride.
